

ANNUAL REPORT

— • 2025-26 • —

Nurturing Creativity. Building Values. Shaping Tomorrow.

Inspiring Young Minds. Enriching Lives.

Dear Well-wishers and Friends,

It gives me immense pleasure to present the Annual Report of Bal Bhavan for the year April 2025 to March 2026.

Bal Bhavan has always been committed to nurturing the holistic development of children by providing them with opportunities to explore, learn, and grow in a creative and stimulating environment. This year too, we have continued our journey with renewed enthusiasm, offering a wide spectrum of activities encompassing science, arts, sports, and cultural activities.

I am delighted to note the enthusiastic participation of children in various workshops, competitions and sports championships conducted throughout the year. From summer camps and innovative STEM workshops to remarkable achievements in arts and sports at district, state, and national levels, our children have showcased exceptional talent and dedication. These accomplishments reflect not only their hard work but also the guidance and commitment of our dedicated staff and coaches.

The successful organization of inter-school competitions, cultural events, and sports tournaments has further strengthened Bal Bhavan's role as a hub of learning and nurturing creativity in Vadodara. Our continued focus on inclusivity, especially through programs for children from diverse backgrounds, remains a cornerstone of our mission.

I would like to express my sincere gratitude to our donors, well-wishers, and partner organizations for their unwavering support.

My appreciation also goes to the entire staff and volunteers whose tireless efforts make these initiatives possible.

As we move forward, we remain committed to enhancing our facilities, expanding our programs, and creating even more meaningful opportunities for children to discover their potential.

I congratulate all the children for their achievements and encourage them to continue striving for excellence.

Thank you for being a part of our journey.....

Mr. Kunjal Patel
Chairman

We have come a long way, yet there's still more ground to cover, more milestones to cross and more children to empower!

**OBJECTIVE OF BAL BHAVAN:**

The Objective of the Bal Bhavan is to nurture and enhance the creative potential of children and to inculcate in them scientific temper and a spirit to challenge, experiment, innovate and create through many activities encompassing a wide spectrum of subjects like science, creative arts and crafts, integrated activities, performing arts, literary activities and physical development through indoor and outdoor sports for normal and special children.

- On 12th January, 2026, Twenty students from the Faculty of Extension visited Bal Bhavan to conduct interactive activities on health and hygiene with NPSS children. The session included engaging games such as Humans and Germs, topic-based dumb charades and passing the Ball, which encouraged active participation and learnings. Through this fun and interactive methods, the children gained valuable awareness and practical knowledge about maintaining good health hygiene habits.
- A Sports Meet was organized for the NPSS children from 17th January to 21st January, 2026. The Sports Meet included five athletics events: Long Jump, Basketball, 50-meter Running, Hurdle Race, and Shot Put. A total of Four schools participated in the event – Veer Savarkar Hindi Prathmik Shala, Pandit Dindayal Hindi Prathmik School, Maharana Pratap Hindi Prathmik Shala, and Sardar Vallabhbhai Patel School. Overall, 423 Children actively participated in the Sports Meet with great enthusiasm and sportsmanship. All achievers got certificates and gifts.
- Composting session was held for NPSS school No. 46 - Veer Savarkar Prathmik Hindi Shala on 27th January, 2026. It was conducted by Savitri Urban Food Forest, where children experienced fruitful session by Ms. Reena Rastogi.

OTHER PROGRAMMES

❖ FIELD TRIP

- On 11th July, Senior K.G. children of Vibgyor High school visited Bal Bhavan for a field trip. They participated in creative arts activities. Children explored their creative potential in a fun and inspiring environment at Bal Bhavan and were happy to learn with fun and take home their innovative creations.
- On 4th September, Senior K.G. children of Vibgyor High School visited Bal Bhavan for a visit to the library. They toured the library and explored a collection of books during their visit. The visit aimed to encourage reading habits and introduce the joy of reading in children.
- On 7th November, 2025 children of Bal Bhavan celebrated 150 years of Vande Mataram with great enthusiasm and pride. Each activity group came together and sang Vande Mataram, creating an atmosphere of unity and patriotism.

- On 14th November, 2025, Children's day was celebrated at Bal Bhavan by offering children to explore and experience their choice of activity, children were given the opportunity to choose and participate in activities of their interest. The celebration encouraged joy, creativity, and exploration, making the day truly child-centric.

- The 3rd year students majoring in sports/ exercise psychology from the Faculty of Education and Psychology, M S University, were placed as interns from 15th Dec 2025 to 2nd April 2026.

➤ SPECIAL WORKSHOPS

❖ Communication and Public Speaking Workshop

Bal Bhavan organized a Communication and public speaking workshop which was conducted by renowned trainer Mr. Jay Merchant, for children 9 to 14 years old, from 12th to 23rd May, 2025 between 5.00 p.m. to 6.15 p.m. On the final day, the children showcased presentations for their parents, displaying the skills they had learnt during the workshop followed by presentation of participation certificates.

The workshop focused on effective speaking, clear articulation, pronunciation, body language, expression and feelings, communication skills, audience connect and command over language.

❖ Board Games and Scrabble Workshop

A Board games workshop was organised for children aged 8 to 14 years old, during the May summer camp, children had a wonderful time playing various board games that combined fun with learning. Games like Cluedo, Azul, Ticket, Marco Polo, Monopoly, Pictureka, Splendor. The workshop boosted their spirit of joy and helped the children improve their thinking skills, vocabulary, social skills, teamwork and concentration.

❖ Nail Art Workshop

A Nail Art workshop for children aged 8 to 14 years old was organised from 5th to 10th May. The children joyfully experienced one of the most exciting and creative activity. They decorated their nails with using bright colors, fun patterns, stickers, and glitter. They loved choosing their favorite designs—like smiley faces, flowers, hearts, and stars—and showcasing their colorful creations. It gave them a chance to express their individual creative ideas.

❖ **Rubiks Cube Workshop**

Rubik's Cube workshop was held for children 6 to 14 years old, in two sessions i.e from 5th to 9th May and 19th to 23rd May, 2025.

The workshop mainly focused on Cubes like 3 X 3 Cube, 2 X 2 Cube, Pyraminx Cube, Mirror Cube, Skew Cube and Leaf Cube.

❖ **Robotics Workshop**

Robotics Workshop for Junior and Senior children aged 6 to 9 years and 10 to 15 years old, was organised, from 19th to 23rd May, 2025. The children in the junior group learnt how to build Robotics car, fun ride robot, Wind Mill Robot, Robocop, Robocart, and Three wheeler car. The senior group children learnt the basics of microcontrollers and programming, as well as how to create autonomous robots such as Door Bell, Traffic Lights Singles, Diwali Lights patterns with push button, Digital Display and Digital Name Plate. On the last day, all children received a participation certificate.

❖ **Coding Workshop**

A Coding workshop for Junior and Senior children aged 8 to 10 years and 11 to 15 years, was organized from 19th to 23rd May, 2025.

The children in the junior group learnt introduction to scratch, lets fly, Dance party, and a game: "Catch if you can."

The senior group children learnt introduction to MIT App, scary zombies, odd and even Game App, and shopping app. All the children received participation certificates.

❖ **AI Coding Workshop**

AI Coding Workshop for children aged 8 to 15 years old, was held from 19th to 23rd May, 2025. The children learnt what is AI Technology, AI Commands, Face recognized coding, Face detection App, and Voice controlled Bot. Participating children received a certificate.

❖ **Drone Making Workshop**

To help children learn about Aerodynamics a Drone making workshop was conducted for children aged 10 to 14 years old, from 19th to 23rd May, 2025. The workshop mainly focused on what is drone, types of drone, aerodynamic concepts of drone, parts of drone, flying concept of drone, and all motion understanding and on last two days they were introduced to flying practice and assessment.

❖ **Fun with Science workshop**

To nurture children's curiosity a workshop -Fun with Science was organised for 5th to 8th std children, from 19th to 23rd May, 2025. During the workshop the children explored a variety of exciting science hands-on experiments and activities.

❖ **Bharatnatyam Workshop**

Bharatanatyam workshop was organized at Bal Bhavan Society on 2nd August, 2025 to inspire the younger generation to learn and appreciate the richness of Indian classical dance. The program was supported by the Commissioner, Youth Services and Cultural Activities, Gandhinagar, and organized by the District Youth Development Office, Vadodara, under the guidance of Shri Ketulbhai Maheria (Dist. Youth Devpt Officer) and Smt. Geetaben Desai (Dist.Youth Devpt Officer). The workshop highlighted the many benefits of Bharatanatyam, including discipline, concentration, confidence, physical coordination, and cultural awareness. Parents and participants appreciated the initiative, as it offered a meaningful platform for children to stay connected with their heritage while enhancing creativity and self-expression.

❖ **Science sparks workshop**

Bal Bhavan organized a "Science sparks workshop" based on STEAM for the children of 3rd to 5th std from 4th to 7th August 2025.

The children enthusiastically engaged in experiments and built DIY science toys that they could take home, this made learning both fun and memorable.

❖ **Tote Bag Painting Workshop**

Bal Bhavan organized a Tote Bag Painting Workshop on 4th August, 2025.

The participants beautifully showcased their creativity and artistic flair. Each individual brought their imagination to life by painting unique and colorful designs on plain tote bags.

❖ **Fun with Electronics Workshop**

The "Fun with Electronics workshop" was held on 11th, 12th, 13th October 2025 for the children from classes 5 to 10. The workshop encouraged children to blend creativity with technology through hands-on learning experiences. Participants explored basic electronics concepts while designing exciting projects such as LED Tree and Wireless LED creations. Each participant proudly took home their finished creations as a token of their learning experience.

❖ Sanskarbharti Style Rangoli workshop

The Rangoli Workshop offered participants an opportunity to explore the art of sanskar Bharti Rangoli, reflecting our rich culture and vibrant traditions. Participants showcased creativity through intricate designs, blending artistic expression with cultural values. It was held from 10th to 14th October, 2025.

❖ Learn any 2 cubes

The cube workshop was held from 1st to 11th November for children aged and above. The program aimed to enhance logical thinking and problem solving skills through hands-on cube learning. Participants were allowed to choose and master any two cubes from options such as the 2x2, 3x3, Pyramid, Mirror Cube, and Barren Cube. The workshop concluded, providing an enjoyable and skill-building experience for all participants.

❖ **Paint your own Tote bag**

Paint your own Tote bag workshop was conducted on 3rd, 4th, and 6th November for children aged 5 and above. The activity aimed to encourage creativity and self-expression by allowing participants to design and paint their own tote bags. Children enjoyed exploring colors, patterns, and unique designs as they transformed simple tote bags into personalized art pieces.

❖ **Clay Modelling**

The clay modelling workshop was conducted from 1st to 7th November for children aged 7 and above. The activity aimed to develop creativity, imagination, and fine motor skills through hands-on clay work. Children enjoyed shaping and modeling the clay into different forms while exploring textures and techniques.

❖ **Universe Unfolded – Kids Edition**

Bal Bhavan Society successfully organized “Universe Unfolded – Kids Edition” on 23rd December, under the guidance and conduct of Mr. Sameer Gaikwad. The programme received enthusiastic participation from a large number of children, reflecting keen interest and curiosity in astronomy. The session provided children with an enriching hands-on learning experience. Participants were given the opportunity to observe the Moon, spot the rings of Saturn, and identify the Orion constellation. In addition, children gained valuable knowledge about stars, planets, and outer space, helping to nurture scientific curiosity and observational skills. The programme concluded successfully, offering an engaging and educational exposure to astronomy for young learners and encouraging their interest in space science.

❖ **Winter Explorers**

1. The Fun with Electronics workshop was conducted on 26th and 27th December, 2025 for children of class 5th to 10th, with the objective of introducing basic electronic concepts through hands-on learning. During the workshop, children built a darkness-sensing night light to understand how sensors work and learned the concept of charging and discharging of a capacitor through practical demonstration. The interactive activities encouraged logical thinking, curiosity, and problem-solving skills, making the learning experience engaging and impactful.
2. The **Clay Whiz (Clay Art) workshop** was conducted from 28th to 30th December, 2025 for participants aged 8 to 16 years, with the aim of introducing clay modelling through simple and engaging techniques. During the workshop, participants learned to create a variety of clay articles while developing fine motor skills and hand-eye coordination. The hands-on activities encouraged creativity and imagination, allowing learners to express themselves artistically.
3. The **Mathemagics Workshop** was conducted from 28th to 30th December, 2025 for children of class 5th to 10th, with the objective of making mathematics exciting, meaningful, and enjoyable for young learners. The workshop introduced children to the significance of 1729 (Ramanujan’s magic number), exploration of magic squares based on special dates, and fascinating number concepts such as 6, 135, 1089,

palindromic numbers, and unique number patterns. Children also learned easy tricks to check divisibility by 7 and 13, which enhanced their speed and accuracy. The engaging activities helped to build confidence and encouraged children to view mathematics positively, reinforcing the idea that “Maths is fun”.

4. The **Art Whiz workshop** was conducted on 29th and 30th December, 2025 and was open for children and parents, offering a creative platform for shared artistic expression. Participants explored vibrant lippan art designs and learned various painting techniques to decorate pots with unique styles.
